DID YOU KNOW?

The Namibian Constitution guarantees all persons the right to acquire, own and dispose of all forms of property in Namibia.

The **general rule** remains that nothing prevents a "Foreigner" from acquiring immovable property in Namibia. However, there are two limitations to the general rule, one of which is in terms of the Agricultural Land Reform Act.

The Act prohibits foreigners from owning agricultural land without consent from the Minister. There are however a few exceptions - ask us how.
