OUR PRODUCT RANGE

WHO WE ARE

For over 65 years NEO Paints has been creating a Namibian legacy of personalised paint solutions that blend quality and innovation to bring beauty to the harshest environments, and colour to your life.

OUR PRODUCTS

We offer paint solutions from surface preparation products, quality paint to cleaning of your painting tools.

Currently we have more than 200 locally produced paint-related products.

NEO Paints has a selected range of products which are SABS approved as proof of our continued commitment to quality.

A variety of NEO Paints products have been tested and classified with low VOC levels. This means the volatile organic compounds found in NEO Paints, is proofed not to be harmful to our people and our environment.

OUR SERVICE

We have a professional Projects team who offers the following specialised services:

- Writing of paint specifications for the Professional market
- Calculation of quantities and volumes per project
- Evaluation of product paint costs
- Offer on-site project support and training to ensure correct product application according to specifications.

NEO Paints has a Colour Coordinator who can assist with colour matching and recommendations.

For more information on our product range and technical guidelines, please visit our website.

For technical assistance from our Projects Team, you can phone our offices for support.
